Jisc update for SCONUL

Paul Feldman, Chief executive

My early direction of travel

- » To be a world class powerhouse of digital support and transformation to the UK Teaching and Research communities, valued by our customers(HE, FE and Skills), loved by our people.
- » Delivered by a culture of Pace, Passion and Pride, underpinned by teamwork, customer intimacy, requiring empowerment and trust.

Of the sector, for the sector we do... 3 main things for you

1

Shared **digital infrastructure** and **services**

Current examples:

library services and analytics, Janet network,, eduroam wireless, open access

Future examples:

Learner analytics, research data management,

2

Sector wide deals with IT vendors and publishers

Current examples:

APC negotiations, Pearson, Jisc collections e-journals, Microsoft 365, FE e-books

Future examples:

Elsevier Prevent web filtering, Tableau, new models for digital publishing

3

Expert and trusted **advice** and practical **assistance**

Current examples:

Financial x-ray, cloud advice, cyber security/business continuity

Future examples:

FE mergers, open access good practice, national monograph strategy

E.g., Customer dashboards

The dashboard features several sections:

- My Jisc**: Organisation: Aston University
- Services**: A table of services with redaction bars over the details.
- Research & Dev**: A section with a redaction bar.
- Membership**: A section with a redaction bar.
- Your subs**: Subscription information for 2015/16.
- Service notes**: A table of service notes.

Portfolio	Service	Notes
Library support services	Journal Usage Jisc Collection Knowledge Base OpenURL Row Institutional R The Keepers R UK LOCKSS A	Coming soon We have completed the procure ready by autumn 2016. We recently ran another Student project teams will be shortlisting. We have 14 early adopters engaged. We will shortly provide access to UK LOCKSS A. We are working on integrating it with our existing systems. We will shortly launch version 2.
